

A repeating pattern of circles arranged in a grid. The circles are filled with a light gray color and have a thin black outline. The word 'acqua' is written in a black, sans-serif font inside the circles, and the word 'azul' is also written in a black, sans-serif font inside the circles. The pattern is a repeating sequence of 'acqua' and 'azul' words, creating a rhythmic visual effect. The circles are arranged in a staggered grid, with each circle touching its neighbors. The background is white, and the overall effect is a clean, modern, and minimalist design.
